🌐 Portfolio

Creative and user-focused UI/UX designer passionate about crafting seamless and impactful digital experiences. Skilled in user research, prototyping, and designing intuitive interfaces that blend aesthetics with functionality. Driven by curiosity and innovation, I aim to simplify complexity and enhance user satisfaction. Committed to staying ahead of design trends and delivering meaningful interactions. Seeking to collaborate with a forward-thinking team to shape the future of user experiences and create designs that inspire and engage.

## 💻 Work Experience

### 0101 digitals 24 Aug-24 Sep

UI/UX-intern

- Collaborated with the design team to create intuitive user interfaces and enhance user experiences for digital products.
- Developed wireframes, prototypes, and mockups using design Figma and Assisted in designing visual assets such as icons, typography, and branding elements.

### Codesoft 24 jun-24 july

UI/UX-Intern

- Assisted in designing user-centric interfaces for web and mobile applications and developed wireframes and prototypes to visualize and refine design concepts and conducted user research and usability testing to gather actionable insights.
- Collaborated with cross-functional teams to ensure designs aligned with project goals and designed and iterated on visual elements like icons, typography, and layouts and utilized tool Figma for creating high-fidelity mockups.

### Cognifyz 24 sep-24 oct

UI/UX-intern

- Collaborated with the design and development teams to create intuitive user experiences for digital platforms and conducted user research and analyzed feedback to enhance interface design and usability.
- Designed wireframes, low- and high-fidelity prototypes, and mockups using tool Figma and contributed to the development of style guides and component libraries to maintain design consistency.

## 🛠 Technical Skills

### Skills and Expertise

- User Experience · Interaction Design · User Interface · Physical and Digital Prototyping · Visual Design · Wireframing · Low-High Fidelity Mockups
- Poster Design · Branding · Typography · Iconography · Book Design · Book Binding · Web Design · Stylesheets and Guidelines

### Figma

- Frame & Layout Creation: Understanding how to use Frames to structure design components and organize layouts effectively and canvas Navigation: Mastering Figma's canvas to move between pages, zoom in/out, and navigate through different artboards or frames.
- Layers and Grouping: Proficiency in managing layers, organizing them, and grouping elements to keep design files clean and structured and Pages and Components: Creating and managing multiple design pages and components in Figma to separate different sections or features of a project

### 👥 Soft Skills

### Communication

- Clear and Concise Communication: Being able to clearly explain design concepts, decisions, and ideas to both technical and non-technical stakeholders and Active Listening: Actively listening to users' feedback, team members' ideas, and stakeholders' concerns to better understand needs and improve designs.
- Presentation Skills: Effectively presenting design concepts, prototypes, and user research findings to clients, teams, and other stakeholders.

### Collaboration

- Teamwork: Working well within cross-functional teams, including developers, product managers, marketers, and other designers and Feedback Reception: Being open to constructive criticism and willing to iterate on your designs based on feedback.
- Conflict Resolution: Addressing and resolving conflicts between team members or stakeholders in a respectful and productive manner.

### 🎓 Education

#### Baplata Engnieering College 2021 - present

Btech

As a final-year BTech student specializing in Cyber Security, I am passionate about securing digital environments and ensuring data integrity across systems. With a current GPA of 6,

#### Narayana Junior College 2019 - 2021

Intermediate

As a 12th-grade student with a 67% overall percentage, I have developed a solid foundation in core subjects and gained valuable insights into various academic areas.

#### Vignan High School 2018-2019

High school

As a 10th-grade student with a 59% overall percentage, I have developed a solid foundation in core subjects and gained valuable insights into various academic areas.
